

Packing List

Each camper will have approximately three (3) large cubbies, which will be plenty of room for storing their clothing and other belongings while at Camp. Please pack in two (2) duffel bags or collapsible soft-sided suitcases. Space is at a premium at Camp, for this reason we ask that you *do not* send hard-sided suitcases, footlockers or trunks ... and that you don't include more than is on this list. We dress informally at Camp. All clothing and personal belongings must be clearly marked with the camper's name (use indelible ink or laundry marking pens; please note that name tapes/labels may fall off when laundered). We will do laundry for campers every 8 to 10 days; campers should bring enough clean clothes for 10 days. All articles of value should be left at home. Camp JRF does not accept responsibility for loss or damage to the clothing, equipment, or personal effects of our campers.

When packing, we request that you help your camper choose clothing that is respectful and appropriate.
