

In our ongoing commitment to meet the needs of our campers who require medication while at Camp, as well as comply with strict state regulations regarding medication dispensing for summer camps, we work with CampMeds Inc., a pre-packaging medication program founded by a former camp nurse. CampMeds has been servicing the camping industry for more than a decade, providing the convenient service of dispensing, packaging, and shipping medications directly to summer camps.

Our policy and procedure for dispensing and administering medicine requires families to have all of your child's medicine taken on a regular basis and in pill form dispensed by CampMeds.

CampMeds will fill:

- Prescription medication in pill form (daily and "as needed")
- Non-prescription items (OTC) such as allergy medication (daily and "as needed")
- Vitamins (for specialty vitamins/supplements, email CampMeds to confirm they can provide)

The exceptions are: Accutane, dissolvable pills, birth control pills, growth hormone, insulin, injections, and as needed Lactaid.

Please note that Camp stocks most over the counter items such as Tylenol, Advil, Benadryl, etc., so there is no need to have CampMeds dispense typical OTC items.

Medications that are in pill form are individually packaged and sealed according to date and time of administration. Each individual packet may contain one or more pills prescribed to be given at the same time. This method of dispensing medicine during summer camp helps to minimize potential medication errors.

We expect 100% participation from families with campers who will need medication while at Camp. Families who do not use CampMeds will be charged a \$150 convenience fee. The only exception to this procedure is if CampMeds notifies us that they are unable to accept your insurance.

If your camper does not take medication, you do not need to register with CampMeds.

To register for CampMeds:

1. Register on www.CampMeds.com (you may register prior to obtaining prescriptions).
2. Note the Camper ID # you will receive when you complete the online registration and print your receipt.
