

## WORKING AT CAMP HAVAYA

We know we can never pay you enough for the heart and soul you put into your work with us!

Salaries are based on a variety of factors, including years at Camp, level of education, certifications, and other experiences. With a deep commitment to being as transparent as possible, our general salary guidelines are as follows:

	First Year	Second Year	Third Year	Fourth Year
Entering 12 <sup>th</sup> Grade	\$1,400			
Entering College First Years	\$1,600	\$1,700		
Entering College Sophomores *	\$1,800	\$1,900	\$2,000	
Entering College Juniors	\$2,000	\$2,100	\$2,200	\$2,300
Entering College Seniors	\$2,250	\$2,350	\$2,450	\$2,550
Supervisory Staff	\$3,250	\$3,500	\$4,000	\$4,500

\* International staff members can use this as a rough starting point, but please note that individual salaries are determined by your staffing agency. If our agreement with the agency provides you with international air travel (as it does for Israeli staff), you can expect your salary to be significantly lower.

All required local, state, and federal taxes will be withheld. For North American staff members, travel reimbursement will be provided for flight expenses.

## WHAT ARE SOME OF THE PERKS?

**Housing and Meals:** You don't have to pay for a thing! All staff live on-site and we provide three delicious meals a day ... plus endless coffee, fresh fruit, and snacks. We'll even do your laundry once-a-week! (In the outside world, these items can really add up!)

**Amenities:** We have WiFi, a staff-only workout space, a staff lounge filled with comfy seating and entertainment systems, and amazing mountain views. And we'll drive you off-campus for nights out, so you don't need a car.

**Fun:** You know the phrase "happy camper"? We also want "happy staff members"! Throughout the summer, we offer special treats, movie nights, pool parties, sports tournaments, and more fun programming exclusively for staff!

**Resume Building:** We offer certifications in CPR, First Aid, American Red Cross lifeguarding, and challenge course facilitation. And all staff receive training on valuable skills for your future, including critical thinking, interpersonal dynamics, public speaking, and teamwork and collaboration. We're not just training you for the summer, but for your future career.

**Making a Difference:** You can't put a price on the feeling you get when a camper runs up to you at the end of the summer and tells you about the impact you've had on them. Whether you're hands-on with campers or more behind-the-scenes, you get to see the ways your work makes a difference in kids' lives, enhances their individual and Jewish identities, and gives them an experience they (and you!) won't soon forget.

**Lifelong Friendships:** After only a few weeks together, you'll be amazed at the depth of the connections you form with new friends from around the world. With staff members hailing from the United States, Israel, Mexico, Uganda, Colombia, Great Britain, and beyond, you'll always have a place to stay on your travels!
